

## Remarks

Claim 1 is amended.

Claims 2-10 are original.

The application contains claims 1-10.

Claim 1 is amended for clarity by inserting a comma immediately after the phrase "optionally together with an organic solvent" in step a) and by replacing the commas in the term "1,0 to 2,5" with periods to read "1.0 to 2.5" in step b). Support is inherent in the overall disclosure, for example, the discussion on pages 1 and 2 of the specification and in the Examples.

No new matter is added.

Consideration of the present claims on their merits is respectfully awaited.

Respectfully submitted,

Joseph C. Suhadolnik
